

Miele

Green Team!

More sustainable Little Giants:

Miele Professional. Immer Besser.

More sustainable Little Giants:

Compact, powerful and reliable in continuous use:
Little Giants from Miele Professional are the perfect
answer to demands for economic laundry care in a wide
variety of businesses.

Future-proof sustainability

- **Effective wash process with low consumption**
- **Washing machine with A-rated energy efficiency**
(according to classification valid from 2021)
- **Energy-saving drying with heat-pump dryers**
- **Resource-saving production**
- **Packing reduced to a bare minimum – creating less waste**

Top-class cost-efficiency

- **Gentle fabric care in unique Miele honeycomb drum**
- **High throughput thanks to short cycles and large loads**
- **Reliable in continuous operation thanks to high-quality, rugged commercial technology**
- **Peace of mind through Miele's proverbial quality, also in after-sales service**

Future-proof sustainability

Energy-efficient. Powerful. Commercial-grade quality.

PDR 307 HP heat-pump dryer

- 130 l honeycomb drum with 7 kg load capacity
- Cycle time Cottons/Mixed fabrics 67/57 mins.
- Language-neutral fascia panel with symbols for the simple and fast selection of programmes; text display
- Spot-on drying results thanks to patented PerfectDry system
- Simple and flexible installation without vent ducting
- Integrated condensed water drainage
- External dimensions H/W/D 850/595/777 mm

Energy efficiency rating A+++

PWM 307 washing machine

- Commercial-grade quality for 30,000 hours of operation
- 64 l honeycomb drum with 7 kg load capacity
- Cycle time 59 mins. in Cottons 60°C programme
- Spin speed 1,600 rpm
- Language-neutral fascia panel with symbols for the simple and fast selection of programmes; text display
- External dimensions H/W/D 850/595/714 mm

Energy efficiency rating A

(according to classification valid from 2021)

PDR 307 EL vented dryer

- 130 l honeycomb drum with 7 kg load capacity
- Cycle time Cottons/Mixed fabrics 37/32 mins.
- Language-neutral fascia panel with symbols for the simple and fast selection of programmes; text display
- Spot-on drying results thanks to patented PerfectDry system
- External dimensions H/W/D 850/595/710 mm
